PROFESSIONAL EXPERIENCE

Video Editor & Graphic Designer

Care My Trip | June 2026 – Present

- Create travel reels and promotional videos for digital and social media platforms.
- Edit travel-focused content using visual storytelling, pacing, typography and sound design.
- Develop AI-generated B-roll visuals and experiment with AI-assisted video and voice workflows.
- Apply basic motion graphics and typography using Adobe Premiere Pro.
- Selected projects include a podcast edit with teaser and cinematic reels featuring Harsil Village Resort.

Video Editor

SellerGiants Pvt. Ltd. | September 2025 – 10 June 2026

- Edited e-commerce and brand-focused video content in a high-volume production environment.
- Used motion graphics and transitions to support visual clarity and brand presentation.
- Managed editing workflows and delivery timelines across client projects.

Video Editing Intern

Zole Systems | December 2024 – June 2025

- Assisted with assembly and fine-cutting of video assets for corporate and social media content.
- Developed skills in sound design and color correction to improve consistency and polish.
- Collaborated with the creative team on visual styles for marketing campaigns.

Freelance Video Editor & Graphic Designer

Independent | Ongoing

- Completed freelance projects involving social media content, video editing and design requests.
- Worked across varied creative briefs, focusing on reliable delivery and problem-solving.

SELECTED PROJECTS

Podcast Edit and Teaser: Edited a podcast and created a teaser to present key moments in a concise, engaging format.

Harsil Village Resort Cinematic Reels: Edited travel-focused resort content with attention to pacing, typography and sound design.

AI-Generated B-Roll Visuals: Created AI-assisted supporting visuals using tools including Seedance AI, Kling AI and Google Flow.
